Principal's message

"The roots of education are bitter but the fruit is sweet" – Aristotle. As the quote says, the core aim of education is to foster all round development of a child. It can be achieved only through education. Education plays a fundamental role in the making of a child and his development as a culturally well-developed person. To fulfil these objectives, there is a prime need of striking a balance between syllabus, curriculum and co-curricular activities beyond that.

A dedicated and noble institution alone can polish a student to the state of true culture and right discipline. There lies the importance of Chinthalaya Vidyalayam. The school provides opportunities for students to express themselves in activities and areas depending on their interests, skills and talents. The school also teaches the students to work as a unit and be team players. Chinthalaya Vidyalayam always keep very high visions of achievement. We provide the students with immense possibilities and splendid opportunities to explore the unknown veins of power and strength, efficiency and ability, success and glory and more. The school takes earnest efforts to promote our students' budding talents and together we are moving towards excellence with a sincere spirit of dedication and honesty of purpose.

There is something very special about Chinthalaya Vidyalayam. Here only the best is good enough and passion for excellence is a driving force each and every day. That is why our students want to be here. They feel welcome and are fortunate enough to have prepared and caring staff. Students' abilities and needs are different. Thus we provide individualized instructions and approaches to students.

An effective school like Chinthalaya Vidyalayam has dedicated teachers who can understand the potential of students and help them to excel in academics and extra-curricular activities. Our students are actively involved in learning with a variety of opportunities to grasp key concepts. It is so gratifying to work in an environment in which all stake holders value the diversity that is an integral part of an immersion programme. I look forward to a great year together as partners in the education of your child.

The school has shaped itself into a well-organized learning institution. The school emphasis quality education for all students and the opportunity to grow as individuals. In this newsletter you will find all you need to know to keep you informed of all the wonderful events and day to day life here at Chinthalaya Vidyalayam.

100%
success

GADHA M S
(97%)

SREEHARI S
(96%)

NANDANA R P
(95%)

NEET 2020 TOPPERS

ABHISHEK A A
Rank :141 (OBC-25)

HARITHA B A
Rank :1300

MIDHUNA A L
Rank :1413

The new way of learning...

Covid – 19 pandemic has brought a sudden standstill in the field of education also. The teacher fraternity reached a new phase of teaching learning process i.e. online education. Generally we are conducting online classes through a learning management system in which the students can view their course syllabus and academic progress. They can even communicate with their fellow students and their teachers. It includes video recordings and live lectures supplemented with readings, assessments, various activities and more. Thus our dedicated teacher community proved themselves second to none.

Our school is on a journey of Competency Based Education following the guidelines of CBSE. It focuses on the attainment of Subject wise Learning Outcomes and application of learning in real life situations by the learners. Pedagogy like Art Integrated Learning promotes reflection, critical thinking, creativity, initiation, self-direction and other 21st century skills. Art Integrated Learning Project works for classes I to X are designed to make learning experimental and joyful. They are multi-disciplinary and will be considered for Internal Assessment. The main objective of AIE is to make students aware of the vast and diverse cultural heritage of our country. Therefore, students have to take up integration with any form of Indian Art – Visual/Performing arts of the paired state, under **Ek Bharat Shreshta Bharat** Programme. We hope that this will empower them with the competencies to understand, analyse, evaluate, innovate and interpret various life situations beyond their schools and homes.

"The more you **read**
the more **things** you know.
The more that you **learn**
the more **places** you'll go."
-Dr. Seuss

Reading Week

Recognising the importance of reading and to mark the occasion of International Literacy Day, Reading week was held in Chinthalaya Vidyalayam for English, Malayalam and Hindi languages through a virtual platform. This year the reading week was celebrated with various activities such as speech competition, recitation, quiz, drawing competition etc.

VIRTUAL EVENTS & CELEBRATIONS

Onam Celebrations

Chinthalaya Vidyalayam celebrated Onam virtually with great enthusiasm. With online classes already happening, it wasn't a huge task for teachers to coordinate with students for Onam celebrations. But what surprised was the amazing response from the talented kids who performed exceptionally though they were stuck at homes. The students were dressed in their traditional attire and performed various onam related programmes. They designed floral carpets and took part in Onappattu and instrumental music. It was a great and memorable online event in everyone's mind.

Teacher's Day

"The parents are the first teachers and teachers are second parents who shape the future of students. As a mark of honouring the teachers for their dedication, their efforts in nurturing the young hearts, igniting student minds and appreciating their commitment towards student welfare and development, Chinthalaya Vidyalayam celebrated the Virtual Teacher's Day on 5th September 2020. A short virtual celebration was arranged in which students sent their recorded videos by engaging themselves in unbridled capacity to shower love, admiration and respect to their teachers

Gandhi Jayanti

Gandhi Jayanti is observed by the entire nation to commemorate the birth anniversary of the Father of our Nation, Mahatma Gandhi. Various competitions were conducted virtually to depict the beliefs and principles of Gandhiji for PRE-KG to Class 12. The tiny tots dressed up as Mahatma Gandhi. Students also gave speech about his teachings and conveyed his noble messages in the most effective manner.

Teachers laid stress on the value of *Speak no evil, hear no evil and see no evil*. Confident little commentators enlightened their peers with inspirational stories on the life of Gandhiji which left us all spell bound. Mesmerizing dance performances were there and planting a sapling was the highlight of this online event. Our students celebrated Bapu's 151th birth anniversary with zeal, enthusiasm and a patriotic feeling on 2nd October 2020

World Environment Day

The United Nations Environment Programme (UNEP) annually organizes events for World Environment Day, which encourages worldwide awareness and action for the protection of the environment.

The theme of 'World Environment Day - 2020' has been "Time for Nature" with focus on its role in providing the essential infrastructure that supports life on earth and human development.

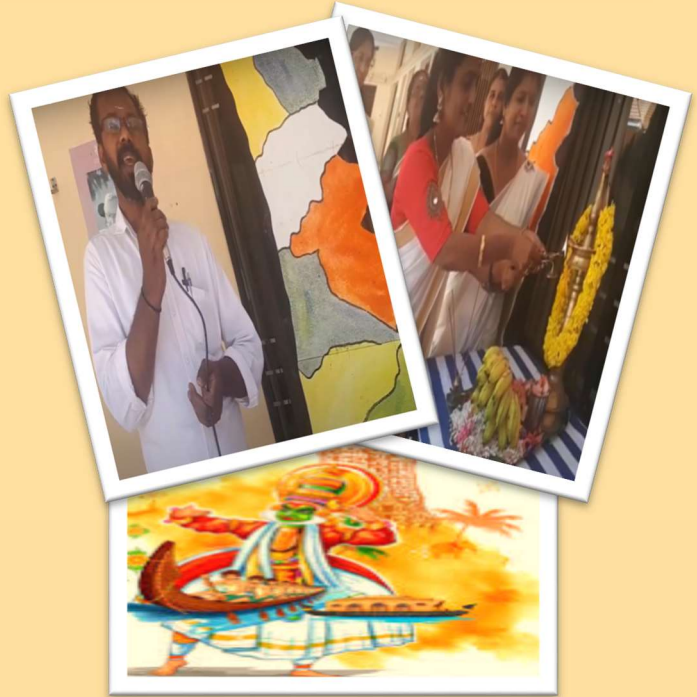

Chinthalayites were also a part of this celebration. This year, the celebration was based on Covid protocol. Almost all students planted saplings in their home and sent the photographs and videos which had been uploaded in our school's YouTube channel.

Kerala Piravi

Kerala state officially declared 'Keralapiravi' on 1956 November. This year's Keralapiravi was in between this pandemic Covid-19 and the day gives us a hope and it unites us all together for the future.

With certain limitations and rules regarding Covid protocol we celebrated Keralapiravi in our school. By explaining the cultural heritage and the value of our state, students took part in programmes such as "naadanpaattu", "mappilapaattu", "Keralanadanam", short poems related to Kerala's traditional festivals, "Naadodinrutham", "Koythupaattu", writings based on "Keralapiravi" etc. All of these would emphasize the integration and love towards our Kerala, God's own country.

Children are like buds in a garden and should be carefully and lovingly nurtured, as they are the future of the nation and the citizens of tomorrow

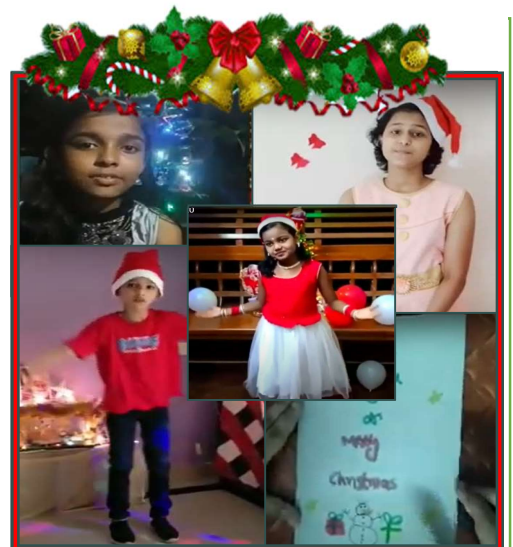

Children's Day

The most precious thing in this world is a smile on the face of a child. There is no garden as beautiful as childhood. A day marking childhood was celebrated with fun and frolic at Chinthalya Vidyalayam. Due to the Covid-19 pandemic restrictions, we celebrated Children's Day virtually. From Fancy dress to Speech a plethora of competitions were organised by our school on 14th November 2020. Students participated with enthusiasm and were awarded. The teachers left no stone unturned to make the day special for them online.

Christmas Celebration

Christmas is the season of love, harmony and celebrations. It is one of the enjoyable and happiest festival worldwide which marks the births of Jesus Christ and reminds us about the unconditional love of God towards mankind. Our school also celebrated Christmas with great fervour and enthusiasm. Children were given opportunity to perform variety programmes like Angel dance, Santa dance, Crib making, Christmas card and star making, Christmas tree arrangement, Carol song and speech on Christmas. Children from KG to Class 12 actively participated and presented one minute videos as part of this celebration. The significance of Christmas was explained to students through Christmas message. The boundless joy of celebrating the festival was visible on the face of all the children.
